Temas De Gramatica

By Concha Moreno Garcia

Sociedad General Espanola de Libreria. Paperback. Book Condition: new. BRAND NEW, Temas De Gramatica, Concha Moreno Garcia, This manual is addressed to teachers, students with an advanced level (B2,C1, or C2 from the CEFL), autodidacts, and to those who want to study the grammar to be prepared for the official exams. It is also a good method for the people that want to have a support when studying the language grammar explicitly. The book is divided into the following sections: introduction; 21 grammatical topics, from orthography to aspects such as 'ya' and 'todavia'; self-evaluation test; key: to the questions included at the beginning of each topic, to the activities presented; and, self-evaluation. This new version, corrected and more completed, includes significant innovations such as: review on the grammatical aspects; more pictures with a pedagogical aim; a variety of exercises; and, different suggestions that can be used for self-learning and also in class.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
