THE INVISIBLES: A COLLECTION OF POETRY ARTWORK (HARDBACK)

iUniverse, United States, 2003. Hardback. Book Condition: New. 237 x 162 mm. Language: English . Brand New Book ***** Print on Demand *****. The Invisibles, a unique collection of poetry and artwork, is a creation in which the style of written words and brush strokes takes the reader into an amazing and brave world, where the magical dawns and exotic twilights of the East and West intertwine; where days and nights seek each other in the fantastic voyage of life. Each poem is a previously untold story from the world of the invisible, whose voices we may not hear and whose faces we may not see; whose pain we may not feel and whose languages we may not understand; and whose heroism we may not notice. These are the innocent and noble human beings that are pressured by social injustice, caught in the crossfire of mindless and violent powers. This book includes 19 prints of original paintings. These paintings reflect some of the artist's thoughts and perceptions throughout a stormy life across the continents.
