Createspace, United States, 2014. Paperback. Book Condition: New. Andreas Peter Pfundt (illustrator). Large Print. 216 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.To parents: We have published a children s book that is lacking lessons, morals, or values. It was a conscious decision of ours. Honestly, so many books out there are trying to coach life-lessons to your kids and we believe teaching those things can get repetitive. Your kids have fundamentally good character and we think constantly re-enforcing positive attributes puts them to sleep. We just wanted to create funny situations that would captivate your kids and build something they may not naturally have: a love for reading. Studies show that kids would read more if they found more books that interested them. There s no plot it s just people pooping their pants in inappropriate places. Hopefully, it doesn t stink! Sincerely, A. P. P. and P. J. S. Andreas Peter Pfundt and Peter Jozef Swica.
