Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

DANGEROUS TIDES

Penguin Putnam Inc, United States, 2006. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. Dr. Libby Drake is sensible and practical. To her more adventurous sisters, she's always been the good girl. Certainly not the kind to attract the attention of a genius like Ty Derrick until a tragic accident leaves the handsome biochemist at her mercy. Acting on her uncanny ability to heal, she stirs in the reawakened Ty his own long-suppressed desires for the woman who saved his life. But he's not the only man with designs on Libby Drake. Her miraculous and selfless power has also captured the attention of a dangerously influential admirer. He's pursuing the elementally gifted beauty for his own wicked purpose. And he's willing to go to deadly lengths to make it happen.
