Brand New Book ***** Print on Demand *****.Excerpt from Canadian Water Power and Its Electrical Product in Relation to Underdeveloped Resources of the Dominion Canada with a small population and insufficient capital has nevertheless held a foremost position in the products of the Forest and the Fisheries, as well as in the quality of those cereals and fruits which attain their highest development in a northern latitude. In live stock she has not suffered by comparison with any other portion of this continent, while in dairy products she is pre-eminent. If she has not, until recently, made much progress in mineral development, it has been more from want of money than of mines. If she has been long in attaining a position as a manufacturing country, it is accounted for by the fiscal and financial conditions of a sparsely settled country, the smallness of a home market, and the competition of greater capital and out-put, and therefore cheaper production elsewhere. Amongst the many partially developed resources of Canada, perhaps there is none more widespread or more far reaching in future results than her unsurpassed...
