Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: Portuguese . Brand New Book ***** Print on Demand *****.This is a story of fiction based in science fiction, under the base of alien s invasion. The story occurs in the year of 2186, when the forces of the earth are fighting against some alien enemies called The Blues Ones. To support the story was created a scenario of a battle in 2005 in the Earth and in 2015 in Mars. During these years the United States of America and Europe suffer big attacks in consequence of resistance to avoid the domination. Next years, Brazil assumes the charges to go ahead followed by USA, Europe and Asia. During the worst episode, in the beginning of the war, the USA develops the Artificial Biologic Intelligence - ABI. They launched a space navy to establish a military base self-controlled, but due to some errors in navigation, is driven to the intergalactic space between Andromeda and Via Lactea. This military base is so far from the Earth. Following the original program based in the technology of the USA the self-controlled ABI, called Ever Black (Sempre Negro) developed a powerful military base. The apices of this book is when Brazilian forces try to take control of Caldeira, a planet situated in the Megalitos System, an strategic base used by the enemy in the way to attack the Solar System of Earth, and the Brazilian forces fail in this first attack. The hero appears in the surface of Caldeira, her name is Eliane, an infant from Brazilian forces. After some failures, the troops are ordered to return, but the Brazilian War Navy is attacked, putting in collapse all the retreat from the battlefiled. But the enemies will have a enormous surprise, because...
