What if the Legends Are True? Jason Masters doubted the myths that told of people taken through a portal to another realm and enslaved by dragons. But when he receives a cryptic message from his missing brother, he must uncover the truth and find the portal before it's too late. At the same time, Koren, a slave in the dragons' realm, discovers she has a gift that could either save or help doom her people. As Jason and Koren work to rescue the enslaved humans, a mystic prophecy surrounding a black egg may make all their efforts futile. Told in alternating chapters, Koren's and Jason's stories merge as both use their gifts to battle the dragons and liberate the captives. Both are strong characters who readers will root for from the very beginning. The first in a planned four-book series, there is just...
