Insight into the nature of a practice. and this practice so that people are able to resolve seemingly difficult to handle events in the invisible. This is not a serious Management Theory forward to it and you will find it interesting. and sometimes can not help but laugh out loud. Because these things occur around you. you had to be more to admire the wonderful observation of events and human subtle behavior and way of thinking. These events may seem absurd. but often that is how it happened. Interpersonal problems are ubiquitous in the company. But not difficult to handle this problem. senior management seemingly inaccessible. actually has the weakest side. Some content of this book talking about the art of how to get along with the boss (not sure Do not do this). but also pay attention to how to deal with angry dinosaurs (in staff since been criticized anger Daihatsu. the anger passed on to you when to take a deep breath to know endure is life). Sometimes you have to try less emotional. the only way to do all the work. Book to establish the commercial part of the management of the company's theory in...
