By SCRUSHDAT

Trafford Publishing, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The book is a handwritten journal that begins near the end of the author s grad school honeymoon. It narrates a tale of eight seals being opened, along the way presenting a unique hypothesis and offering a fresh interpretation of an ancient sign of faith. The inspiration for the book came nearly ten years ago when the author was in Jamaica soon after a powerful experience called a kundalini awakening. The book is not a solo work as the author s wife, brother, sisters, and friends have also contributed. There are drawings, a typed intro and outro, as well as a touch of the impossible. Even if not commercially successful, this journal is destined to become a solid family heirloom carrying a fine tradition.
