

## Kwaidan: Ghost Stories and Strange Tales of Old Japan

By Lafcadio Hearn

Dover Publications. Paperback. Book Condition: New. Yasumasa Fujita (illustrator). Paperback. 176 pages. Dimensions: 8.3in. x 5.3in. x 0.5in. A blind musician with amazing talent is called upon to perform for the dead. Faceless creatures haunt an unwary traveler. A beautiful woman the personification of winter at its cruelest ruthlessly kills unsuspecting mortals. These and 17 other chilling supernatural tales based on legends, myths, and beliefs of ancient Japan represent the very best of Lafcadio Hearn's literary style. They are also a culmination of his lifelong interest in the endlessly fascinating customs and tales of the country where he spent the last fourteen years of his life, translating into English the atmospheric stories he so avidly collected. Teeming with undead samurais, man-eating goblins, and other terrifying demons, these 20 classic ghost stories inspired the Oscar-nominated 1964 film of the same name. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Ally Reichel**

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
