Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Ancient Civilization an Introduction to Modern History The purpose of this book is indicated on the title page. It is written to meet the needs of classes which can devote only a brief amount of time to the study of Ancient History before taking up the study of Medieval and Modern History. The Committee of Five of the American Historical Association recommends that if it seems wise to omit any detailed study of ancient history and to give three years substantially to the other three blocks, the teacher, while omitting all detail, may still attempt to give his pupils some idea of the growth of the ancient nations, and some idea of their achievements and their qualities. With this aim in view, only such details of the political history of antiquity have been here included as are necessary for an understanding of ancient civilization. Furthermore, only such elements of the life of the people of antiquity have been emphasized as are necessary for a thorough comprehension of the history of Western Europe in modern times. The book is written especially for the use of pupils in the first or second year of the high school course. The point of view of boys and girls fifteen or sixteen years old has therefore been kept in mind in the selection of details and in the wording and arrangement of the text; and also in the choice of maps and illustrations. The maps are adequate for making clear the geographical references in the text. Several large pictures have been made to illustrate the text - an object seldom attained by the illustrations in ancient histories. These pictures are...
