A Parental Certificate System

By Leo White

Idea Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Is A Parental Certificate System the future of parenting? After years of research, Australian philosopher and writer Leo White has finally released his eagerly anticipated book, A Parental Certificate System . The proposed system may one day change the way our entire human species approaches the paradigm that is human procreation and parenting. The first major hurdle will be to see if White s findings and recommendations succeed in building a consensus amongst policy makers and the public alike. As ambitious as White s overall vision for the future may be, he is nonetheless methodical in his approach towards immensely tough global challenges, such as overpopulation, human rights, parental planning, vaccination, corporal punishment, infant mortality, global migration patterns, and indigenous rights, to name but a few of the topics covered as part of the proposed parental certificate system. However, and as White points out, we can be certain of one fact - a solution to these problems is desperately and urgently needed. White often describes his work as that of an engineer, or an architect: I can...
