Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Railroad Conspiracy is a straightforward account of harassment and prejudice based on my employment experiences with Penn Central and Conrail Railroad Division in Philadelphia, PA from November 7th, 1974 until March 19th, 1980. These experiences included unwarranted demotions, harassment, public humiliation, racism, and eventually what I consider was an attempt on my life. I believe my superiors and some of my coworkers set out to destroy my career in the railroad after I had received public praise in 11 newspapers and from the commuter public when I worked the public address system as a Train Caller at the Reading Railroad Station. This public address job required a clear voice to tell the train commuters when trains were leaving and arriving. I stood out among the Train Callers for my unique delivery and style for which I received much public recognition among the commuters and the media. Two sample articles in the local Philadelphia newspapers that reported my outstanding work are included in the book. Although the public praised me for my work as a Train Caller, I was not appreciated or praised by my superiors. Although this seems like a minor case of jealousy, my life was turned upside down as I had to seek legal proceedings to protect my job. In handling my case, the legal system acted more like a kangaroo court rather than an honest system that could cite injustices done to me. What follows is a case study of how and where a company failed an employee and how the outside resources proved to be of no value to an honest, hard-working employee. Since this case study can be studied from different angles,...
