

Security of Title and Government-Investor Relationship

By Lionel Etan-Adollo

New Generation Publishing, United Kingdom, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. Dr Lionel Etan-Adollo has set the benchmark for evaluation, comparison and investigation for many jurisdictions in the area of Oil and Gas Security of Title and Government Investor Relationship using the comparison between the UK and the US Regime of Upstream Oil and Gas Licensing as case study. Although the two licensing regimes are not perfect, but there is so much other oil and gas jurisdictions could learn from these two jurisdictions as they continue to develop. There are historical collaboration / partnerships between investors and governments in the UK Continental Shelf (UKCS) and the US Gulf of Mexico Outer Continental Shelf. So far as the foreign or domestic investor in Petroleum Exploration and Production is concerned the security of her / his title is a legal sine-qua-non. In both jurisdictions, the State is superior in law to the foreign investor but despite this both jurisdictions have demonstrated an attempt at even-handedness. Both enshrine respect for the rule of law in their constitutional arrangements and they also try not to act arbitrarily in the licensing process and in the regulation...
