Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 235 x 191 mm. Language: English . Brand New Book ***** Print on Demand *****.CrosScan Puzzles Book 3 - The Latest Word In Word Search What happens when word search meets crossword? Add a fun dose of punning and pop culture, and you get a unique type of word puzzle called CrosScan. CrosScan is word search with a twist - you are given a word-search grid with crossword-style clues instead of a word list. Also, the theme is hidden; it will emerge as you solve the puzzle. Clues often contain puns and double meanings, but they all make sense once you figure out the theme. Each finely-crafted puzzle has about 40 words and enough leftover letters to form a quotation related to the theme. It s a mind-stretching challenge -- not overwhelmingly difficult, but definitely not a piece of cake. Here is a sample of comments from those who have tried the first two CrosScan books: What a fun game! I really appreciate finding this gem. I was getting bored with the traditional word-search puzzles, and when I was presented with CrosScan it was a welcome challenge. These puzzles are great for crossword puzzle lovers and for those of us who may not have enjoyed crossword puzzles in the past. You can t go wrong. The 84 puzzles in this book will give you many hours of solving pleasure. For samples of CrosScan Puzzles, please visit our website at .
