God is preparing a spiritual tsunami to sweep the nations and reclaim our culture for Christ, says author Jonny Enlow. He describes seven culture-shaping areas of influence over each society: media, government, education, economy, family, religion, and celebration (arts and entertainment) that are the keys to taking a nation for the kingdom of God. The purpose of this book is to draw the church's attention to these areas; help each individual determine his or her specific assignment in this mission; and then to offer insight into the nature of the battles involved in this spiritual tsunami, as the author calls it. Many Christians do not grasp that God's favor for us to succeed is already upon us and is part of His end-time strategy to establish Jesus as Ruler of the Nations before His return. Readers will come to understand that this favor is divinely strategic and corresponds to the place of each person's ministry assignment. Many have a spiritual poverty vision and poor eschatology, two factors that have robbed us of our blessing and caused us to fail to reclaim cultural influences for Christ. The book is laid out to address these two misunderstandings, with the first several chapters specifically aimed at correcting lack of vision and misguided understanding of the end times. Each chapter that follows provides intensive, detailed study of each mountain of influence, how it will be taken and by whom, and what resistance will be encountered by individuals assigned to claim this mountain.
