

So You Think You Know Football?: The Armchair Ref's Guide to the Official Rules

Filesize: 9.69 MB

Reviews

Extremely helpful for all type of folks. It generally is not going to expense a lot of. I found out this book from my dad and i advised this book to find out.

(Melany Goyette)

SO YOU THINK YOU KNOW FOOTBALL?: THE ARMCHAIR REF'S GUIDE TO THE OFFICIAL RULES

Taylor Trade Publishing, United States, 2015. Paperback. Book Condition: New. 228 x 153 mm. Language: English . Brand New Book. So You Think You Know Football? is the motherlode of NFL rules and their interpretations. Whether you know everything about on- and off-field rules or are a true novice, Austro deftly illustrates the ins and outs of the NFL rulebook using examples from actual games. Test your inner referee with questions about the correct call and how slight changes might affect the ruling. Do you know why spiking the ball immediately to stop the clock is not considered intentional grounding, while hesitating a few seconds then spiking the ball is? See if you would have made the right call in a game played between the Chicago Bears and Oakland Raiders on November 27, 2011-with additional quiz questions from other games involving similar controversies. Keep this book right next to your favorite football-watching chair to consult during the game and visit to stay updated on interpretations affected by rule modifications.
