Kerlak Enterprises, United States, 2006. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A rare collection of premier writers with a challenge in common - to write the best story they can with time as the central theme. They take us on a literary exploration of one very simple fact; time, that basic, measurable unit of existence, is always with us. Occasionally, time is a friend, just as often, it s not. It can feel like everything you do is defined by it, controlled by it, and measured by it, yet we only think about it when it runs out. Our writers intertwine the past, present, and future into a masterful anthology.
