Createspace, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Police Promotion Preparation is dedicated to preparing police, firefighters, and corrections officers for advancement to the next level of supervision. Prepare yourself for promotion by taking advantage of this training. These techniques will enhance your chances for promotion and make you more desirable as a promotional candidate. It details specific techniques used to both develop and evaluate candidates during a promotional process. This book covers specific training in communication, academic testing, scenario-based training and interviewing. Learn the skills necessary to communicate your knowledge and preparation to an evaluator. Often, it is not a lack of skills which inhibits a candidate's chances for promotion, it is their ability to communicate the possession of those skills. Academic testing informs the reader of methods used in academic test development. It also gives the reader tools to incorporate while taking the exam. Learn the skills needed to perform better in an essay or multiple-choice testing environment. Test taking is a skill set which can be improved upon with the right technique. Scenario based evaluation is one of the key ways for an evaluator to determine a candidate's ability to respond during critical incidents in an artificial environment. Learn organization and presentation skills which put you at the top of the list. Our approach provides you with insights that improve your chances for promotion. Along with the other skills needed for promotion, learn interview techniques. Many promotional processes have an oral interview component. Police Promotion Preparation teaches you how to get as many points possible during this stage.
