Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, The Sweet Spot: A Novel, Stephanie Evanovich, A sizzling story of everyone's favorite couple from amazing Stephanie Evanovich's New York Times bestseller Big Girl Panties: hunky professional baseball player Chase Walker and his sassy wife Amanda. When pro baseball player Chase Walker first meets Amanda at her restaurant, it's love at first sight. While Amanda can't help noticing the superstar with the Greek-god-build, he doesn't have a chance of getting to first-or any other-base with her. A successful entrepreneur who's built her business from scratch, Amanda doesn't need a Prince Charming to sweep her off her feet. And a curvy girl who likes to cook and eat isn't interested in being around the catty, stick-thin herd of females chasing Chase and his teammates. But Chase isn't about to strike out. A man who isn't interested in playing the field, he's a monogamist who wants an independent woman like Amanda. His hopes rally when she discovers that squeaky-clean Chase has a few sexy and very secret pre-game rituals that turn the smart, headstrong businesswoman on-and into his number one fan. Then a tabloid discovers the truth and turns their spanking good fun into a late- night punchline. Is Amanda ready to let loose and swing for the fences? Or will the pressure of Chase's stardom force them to call it quits?.
